

# Make 10 — Number Bonds

LARGE PRINT EDITION

Free Printable Worksheet · make10s.com

Take your time — there is no timer. Fill in each missing number so the two numbers add up to 10. Large print, plenty of space, go at your own pace.

## PART 1 Number Bonds to 10

Write the missing number in each blank.

$$1) \quad 0 + \boxed{\phantom{00}} = 10$$

$$2) \quad 2 + \boxed{\phantom{00}} = 10$$

$$3) \quad 4 + \boxed{\phantom{00}} = 10$$

$$4) \quad 6 + \boxed{\phantom{00}} = 10$$

$$5) \quad 8 + \boxed{\phantom{00}} = 10$$

$$6) \quad 10 + \boxed{\phantom{00}} = 10$$

## PART 2 Circle the Pairs That Make 10

Look at the numbers below.

Circle every pair that adds up to 10. There are four pairs.

Draw a circle around each matching pair.

## PART 3 Match the Pairs

Draw a line from each number on the left to the number on the right that makes 10.

1

5

3

9

5

1

7

7

9

3

Each number is used exactly once.

# Make 10 — Number Bonds, Large Print Edition

**PART 1 Number Bonds to 10 — Answers**

Each missing number completes the pair that adds to 10.

1)  $0 + 10 = 10$

2)  $2 + 8 = 10$

3)  $4 + 6 = 10$

4)  $6 + 4 = 10$

5)  $8 + 2 = 10$

6)  $10 + 0 = 10$

**PART 2 Circle the Pairs — Answers**

Four pairs that add to 10 (each number used exactly once):

$$1 + 9 \\ = 10$$

$$3 + 7 \\ = 10$$

$$2 + 8 \\ = 10$$

$$4 + 6 \\ = 10$$

**PART 3 Match the Pairs — Answers**

Correct connections (left → right, each pair sums to 10):

$$1 \rightarrow 9 \\ = 10$$

$$3 \rightarrow 7 \\ = 10$$

$$5 \rightarrow 5 \\ = 10$$

$$7 \rightarrow 3 \\ = 10$$

$$9 \rightarrow 1 \\ = 10$$
